

How Well Do I Manage Materials?

Self-Assessment

Name: _____ Date: _____

	None of the Time 0	Some of the Time 1	Most of the Time 2	All of the Time 3
I bring the right materials home to complete my homework.				
I bring the necessary materials (e.g. books, pens, pencils, papers, etc.) to class.				
I have an organized bag and locker and can find what I need quickly.				
I use a system to organize all of my schoolwork..				
I designate a place for homework, class notes, and returned work.				
I have a system for filing papers that have been graded.				
I remember to turn in my completed homework.				
I clean out my back pack on a weekly basis.				

Reflection Questions:

1. What parts of managing materials am I already good at?
2. What parts of managing materials would I like to improve?
3. What are specific actions I can take to improve my ability to manage materials?
